If I should stay  
 I would only be in your way.  
 So I'll go but I know  
 I'll think of you  
 Every step of the way.

And I will always love you.  
 I will always love you.  
 You my darling you mmm...

Bittersweet memories,  
 That is all I'm taking with me.  
 So goodbye, please don't cry.  
 We both know I'm not what you, you need.

And I will always love you.  
 I will always love you.

I hope life treats you kind  
 And I hope you have  
 All you've dreamed of.  
 And I'm wishing you joy  
 And happiness.  
 But above all this, I'm wishing you love.

And I will always love you.  
 I will always love you.  
 I, I will always love you.  
 You, darling I love you.  
 I'll always, I'll always love you.

I will always love you.  
 I will always love you.  
 I will always love you.  
 I will always love you.
